

# CohereX 2026

September 27th – October 3rd, 2026

Institut d'Etudes Scientifiques de Cargèse, Corsica, France

**Director:** Virginie Chamard, **Co-director:** Marc Allain,

**Organized by** Thomas Cornelius, Vincent Favre-Nicolin & Beatrice Ruta

A thematic **school** dedicated to the use of **coherent X-rays** produced by 3rd and 4th-generation synchrotrons and XFEL sources. Ideally designed for students, post-docs and researchers who are new to the field or wish to broaden their expertise.
